THE POWER OF 10

The 2008 THIA Annual Conference brings us the opportunity to proudly celebrate 10 years of success and to continue to promote and achieve our mandate. In 1998, THIA was created:

To develop and promote voluntary standards of business conduct, professional and public education, advancement of issues relevant to providers of travel health insurance operating in Canada and their affiliated organizations.

I hope THIA will also continue to inspire ever more collaboration, creativity and understanding across the globe.

We are celebrating our 10th anniversary at the Doral Golf Resort & Spa in Miami. As part of the celebration, the THIA Conference Committee has arranged some exciting activities for all of us.

As a delegate, your registration entitles you not only to full participation at the educational sessions, but all complimentary networking breakfasts, refreshment breaks, the opening cocktail reception, and dinner at the chic Pearl Restaurant and Champagne Lounge at Nikki Beach on Thursday evening. We have also arranged optional activities that include golfing, a trip to the everglades and a cruise along the inter coastal. Register early for the events you wish to participate in. Space is limited!

On behalf of the THIA Executive and the THIA Conference Committee, I would like to extend our gratitude to our valued friends, colleagues and associates who have helped us reach this milestone. A special thanks to our sponsors for their generous support of this Conference and Conferences past. I invite all of you to our 10th Annual THIA Conference.

Join us to share a successful blend of education, fellowship and good fun. I look forward to seeing you in Miami, Florida!
